To Whom It May Concern:

Reliable Cleaning has been a vendor for KB Home New Mexico for nearly 10 years. Their responsibilities have included cleaning and minor maintenance of our model homes and inventory homes. They have worked on over 75 model homes in Albuquerque and Rio Rancho for our division.

During their time here they have had an amazing impact on the appearance of our properties. They are able to successfully complete multiple tasks with favorable results despite deadline pressure. They have been instrumental in helping meet our sales goals and grow our business over the years. They are very well organized, diligent in paperwork, easily reachable, and always on time.

Reliable Cleaning has done an excellent job and I would highly recommend them for any position. If you have any further questions regarding their ability or this recommendation, please do not hesitate to contact me using the information on this letterhead.

Sincerely,

David Hargis
VP of Sales, Marketing and KB Home Studio
